Restricted Articles

Goods having corrosive, explosive, flammable, infectious, toxic or other dangerous characteristics as defined in the IATA Restricted Articles Regulations are restricted articles and are subject to specific packing, marking and documentation requirements. Advice on these requirements can be obtained from cargo offices of AIR SEYCHELLES.

* The sender certifies that this consignment does not contain **restricted articles**. e.g Explosives, Flammable, Compresses gas, corrosive, Oxidising materials, Toxic, Radioactive, Magnetizes materials & Lithium Batteries OR other undeclared goods.

* The sender certifies that insofar as this consignment contains **restricted articles**, such as part is in accordance with the requirements of the IATA Restricted Articles Regulations.

Warning: Failure to comply in all respects with IATA Restricted Articles penalties.

* Tick as applicable.

I accept that Air Seychelles is not responsible for checking the contents of my shipment and that I will solely liable for any adverse consequences arising directly or indirectly from an inaccurate declaration of contents or from the contents themselves
